

**SDI FINAL EVALUATION FORM 1.1**

**PART 1:**

Journal Name:	<a href="#">American Chemical Science Journal</a>
Manuscript Number:	2013_ACSj_4598
Title of the Manuscript:	<b>Spectrophotometric and Chromatographic Methods for the Estimation of Raloxifene Hydrochloride in pure form and pharmaceutical preparation</b>

**PART 2:**

<b>FINAL EVALUATOR'S comments on revised paper (if any)</b>	<b>Authors' response to final evaluator's comments</b>
Active substance is official in Ph. Eur. 7: Monograph 01/2010:2375 RALOXIFENE HYDROCHLORIDE. Authors should cited Ph. Eur. 7 and give some details from official monograph related to HPLC method.	<b>The official monograph for RXF in Ph. Eur. 7 was added to the introduction with its chromatographic conditions. The changes are highlighted in blue. It is listed as refernce [2].</b>
