<p>There are still some corrections have not been made as follows:</p> <ul style="list-style-type: none"> <li>• The two methods used are lacking the details. For the mentoring &amp; coaching, it is remaining unknown who are the mentor, how long is the mentoring &amp; coaching, etc.</li> <li>• As for the survey – need to mention the items included in the survey, example of items asked, etc.</li> <li>• It is still not clear the effects of training on consumptions.</li> <li>• There should be two separate findings for the two types of businesses – please use sub-headings, each for catering and meatball.</li> <li>• Lines 232-233: “the activities had been shown to result in improving the business productivity” – still no evidences provided.</li> <li>• Line 268: “Revenue increased to 70%....” . This information should be reported in the finding, not in the conclusion.</li> </ul>	<ol style="list-style-type: none"> <li><b>1. I have added the example of the questions in the previous feedback</b></li> <li><b>2. I think its already in the text about the result</b></li> <li><b>3. Thank you for your respons</b></li> </ol>
