Abundant greetings and wishing you all the blessings that this yuletide season brings. May the peace and joy that characterized the birth of our Lord Jesus be your portion continually.

I hereby attach the manuscripts of my revised paper. I am prayerfully hoping it will scale through the extremely critical scrutiny of the assessors this time around.

Pls note that I attached two versions of the paper. The first is the revised version in which all corrections and additions are in RED. The second version is the uncorrected one in which all the deleted texts are in BLUE.

Looking forward to hearing from you at your earliest convenient time.
