<p>In the phrase "barrage of retinal detachment: N = 692; S = 200; E = 0.14 – 0.16; P = 180 – 200", please detail the abbreviations: N, E, P for the reader to understand. Briefly describe what the ultrasound Figure 3 shows.</p>	<p>We have exchanged the abbreviations (within the text) for the full names and have marked it in yellow.</p> <p>We have added to the figure and have marked it in yellow on the manuscript that you have sent back to us. It now states: Figure 3. Ultrasound; right eye, lesion of medium reflectivity on the fundus periphery of the eye that is in direct contact with the epibulbar lesion.</p> <p>Thank you very much on all your assistance regarding our manuscript!</p>
