Please correct line 19 word “symptom” and line 276 “squamous” along with a few others.</p> <p>Do not use the idiom “On one hand” in line 19, and “On the other hand” line 22, correct to a statement that more academic.</p> <p>Lines 41-47 are not cited correctly and are written in an anecdotal fashion, please fix.</p> <p>Change language under figures to more accurately describe each figure and be concise (example fig 1 remove instead of the normal pseudostratified ciliated epithelium).</p>
