SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Compulsory REVISION comments	None	
Minor REVISION comments	None	
Optional/General comments	This is a prospective crosssectional study analysing the factors on the patients satisfaction with health centers in a population of young females, in Nigeria. Although the results are not surprising, it is a well written manuscript.
